

# 31st Annual Santa Toy Delivery

*Sponsored by:* The Boca Raton Firefighter & Paramedic Benevolent Fund, Inc.

Santa Claus will arrive at your home on a Fire Truck with Lights & Sirens to deliver a Christmas Gift to your child. Santa Claus will only be able to deliver toys to locations within the **City Limits of Boca Raton**. The Fire Fighters of Boca Raton and special volunteers are donating their time to make this program a successful part of our commitment to serving the residents of Boca Raton. This year's proceeds will, again, assist in sending Holiday Care Packages to our troops overseas, and to provide College Scholarships for eligible students within the community.
